

# Bachelor of Education (B.Ed.)

## Course Overview:

*The Bachelor of Education (B.Ed.) is a two-year full-time professional teacher education program affiliated with DR. B.R. Ambedkar University, designed to prepare graduates for a career in teaching which is a compulsory requirement for classes VI to XII. The course aims to develop competent, committed, and effective teachers equipped with knowledge, skills, and values to contribute to the education sector. The program emphasizes both theoretical knowledge and practical teaching skills.*

*The mission is to cultivate reflective, innovative, and compassionate educators who are equipped to meet the diverse needs of learners in a dynamic educational landscape. To be a centre of excellence in teacher education, fostering a commitment to lifelong learning, social responsibility, and academic integrity.*

## Eligibility Criteria:

- Candidates must have completed a graduate or postgraduate degree with a minimum of 50% marks in relevant subjects.
- Specific subject requirements depend on the specialization chosen (e.g., Science, Social Science, Commerce).
- Relaxations in marks and reservations are applicable as per government norms.

## Course Structure:

- Core pedagogy courses covering educational psychology, teaching methodologies, and curriculum development.
